

We're a Texas working ranch, just a short drive northwest of the Dallas/Fort Worth Metroplex. But don't let the word "ranch" fool ya! We offer our guests all the modern conveniences in a secluded, Old West atmosphere. Yep, we know all about telephones, TV's, and Coke® machines. We just aren't in the middle of the hustle and bustle.

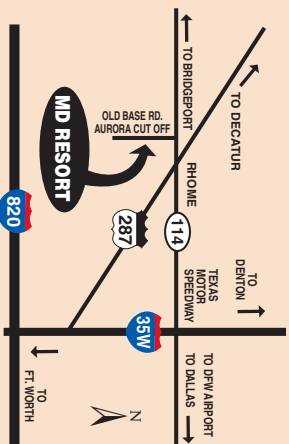

What are you looking for? An *escape*? We're off the beaten path but still in touch. How about a *romantic getaway*? We've got your room. Someplace where you can get down to business without your business getting you down? We have a *meeting room* with a beautiful country view.

Why not come lose yourself for a few hours or a few days among our open pastures and stately trees? Sleep in if you like. Lounge in the pool and spa, enjoy our recreation room or burn off your energy in one of our outdoor sports. Kick back or kick up your heels—it's up to you.

MD Resort is a family-owned business. We found a beautiful, tranquil piece of Texas, and we're pleased to share it with y'all.

Weddings & Reunions

Looking for that perfect wedding? How about our garden? Or down in the cool shade of the pecan orchard? We could even put together a Western-style wedding in the party barn or a formal wedding complete with a horse-drawn carriage for the Bride and the Groom.

We're also fond of families, being one ourselves, and like nothing more than a good, old-fashioned family reunion. There is lots to do at MD Resort and a lot of space to do it in.
